Gayle Felton, guides us through the rituals and practices of both these sacraments in order to help us understand their life-enriching value. She reminds us that our lives in Christ are grounded in baptism and sustained by holy communion. In baptism God claims us and makes us members of Christ's body, the church. In Holy Communion God offers grace and strength for our spiritual journey. We are truly called to live the sacraments of baptism and holy communion, as well as to receive them. **(6 Sessions)**

James by Beth Moore forces us to face the implications of faith. Be inspired to put your faith into action in practical ways as you get to know both the faith, reversal of fortunes for rich and poor, wisdom, gifts from above, single-mindedness, the dangers of the tongue, humility, and prayer. Bible scholars compare James to the prophet Amos. In other ways James more closely resembles the Book of Proverbs than any New Testament book.
